INTERMEDIA UNITE SPAM CALLER PROTECTION

Spam Caller Protection is a free service for Intermedia Unite customers. It detects calls from aggressive telemarketers and fraudsters, and allows administrators to decide how to route these calls. Depending on your organization's preferences, you can tag these calls, send them to voicemail, or block them. This protection extends to every Unite device, including the Unite desktop and mobile apps.

**DETECT**

Sophisticated call detection automatically recognizing robocalls and scammers.

**ALERT**

Warn users of spam & fraudulent calls before answering a call from any Unite device.

**BLOCK**

Unite can block spam and fraudulent callers from reaching your employees.
