

Business Email Powered by Microsoft Exchange Helps Employees to be More Effective and Productive

As the largest independent provider of Hosted Exchange, Intermedia is the clear choice for business email.

EXCHANGE EMAIL FROM INTERMEDIA

Email is the centerpiece, but it doesn't stand alone. That's why we offer solutions that bring added functionality to Exchange Email to meet the unique needs of your business, whether you're seeking to comply with HIPAA, FINRA, GDPR or other regulations, or you're looking to boost employee productivity with better tools. Choose the combination of services that's right for your organization.

PC Magazine Editors' Choice Award Exchange Email with 99.999% SLA and J.D. Power-certified support.

Microsoft 365 apps (Word, Excel®, PowerPoint®, Outlook®, OneDrive).

Comprehensive compliance and security capabilities including Archiving and Encryption.

Expert migration and onboarding included free of charge.

PRIORITIZE PRODUCTIVITY

Moving email to the cloud makes sense in our on-the-go working world. Your employees get access to their email from their favorite devices no matter where they are, and you get the benefit of a predictable monthly per-user fee with no need to purchase servers or license software. And we can provide customized deployment options for larger businesses that require single tenant environments. Plus, Exchange Email from Intermedia integrates with Intermedia Unite®, our cloud-based business phone system, and with other vital business tools including SecuriSync® for file collaboration and backup.
