

Intermedia Unite for Microsoft Outlook®

BRING THE FUNCTIONALITIES OF INTERMEDIA UNITE INTO MICROSOFT OUTLOOK TO STREAMLINE WORKFLOWS AND INCREASE PRODUCTIVITY.

Features:

- **Click-to-call** co-workers and external contacts from Outlook contact list, emails, and calendar events.
- **View the presence** (available, offline, busy, in a meeting) of Outlook contacts.
- **Click-to-chat** with any co-worker from within Outlook contacts, emails and calendar events.
- **Sync contacts** from your Android or iOS device across Unite desktop and mobile applications.
- **Start meetings** with one-click from your calendar. Meetings will include a meeting title, start and end time, attendee list, meeting agenda and more using the Intermedia AnyMeeting® Outlook plug-in.

Benefits:

Increase productivity: Embed Intermedia Unite into everyday business applications to automate business workflows and maximize worker efficiency.

Streamline workflows: Save time from switching between applications, connect with co-workers quicker, and get more done.

Easy to use: The Intermedia Unite Outlook integration is easy to use and easy to deploy, with no heavy training or implementation costs.

J.D. Power 2018 Certified Assisted Technical Program, developed in conjunction with TSIA.
