

INTERMEDIA®

SIGN UP TODAY TO GET **2 MONTHS FREE** INCLUDES FREE INGESTION

Think only regulated businesses need email archiving? Think again...

Don't miss this opportunity to protect your data with a cloud-based Exchange Email solution that includes archiving – a data-security best practice for every business. Whether or not you need to deal with compliance audits, archiving helps every business with continuity and costs.

Protect your business against intellectual property loss when employees leave the company. Limit your financial exposure when you get sued. Don't miss out on all the business benefits of cloud-based Exchange Email with archiving.

Get 2 months FREE and FREE ingestion by contacting Intermedia
