TARIFF FORMAT

A. Sheet Numbering: Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between pages 11 and 12 would be page 11.1.

B. Sheet Revision Numbers: Revision numbers also appear in the upper right corner of each sheet where applicable. These numbers are used to indicate the most current page version on file with the Commission. For example, 4th Revised Sheet 13 cancels 3rd Revised Sheet 13. Consult the Check Sheet for the sheets currently in effect.

C. Paragraph Numbering Sequence: There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

- 2.
- 2.1
- 2.1.1.
- 2.1.1.A
- 2.1.1.A.1
- 2.1.1.A.1.(a)
- 2.1.1.A.1.(a).I
- 2.1.1.A.1.(a).I.(i)
- 2.1.1.A.1.(a).I.(i).(1)

D. Check Sheets: When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff, with a cross reference to the current Revision Number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc. remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest Check Sheet to find out if a particular sheet is the most current on Commission file.

SECTION 1- TECHNICAL TERMS AND ABBREVIATIONS

Access Line - An arrangement from a local exchange telephone company or other common carrier, using either dedicated or switched access, which connects a Customer's location to the Company's location or switching center.

Account - Either a Customer's physical location or individual Service represented by a unique account number within the Billing Hierarchy. Multiple Services each with a unique account number may be part of one physical location.

Application for Service - The AccessLine order process that includes technical, billing and other descriptive information provided by the Customer that allows AccessLine to provide requested communications Services for the Customer and Customer's Authorized Users. Upon acceptance by AccessLine, the Application for Service becomes a binding contract between the Customer and AccessLine for the provision and acceptance of Services.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the Customer so it may rate and bill the call. Automatic number identification (ANI) is used as the authorization code wherever possible.

Billing Hierarchy - Allows Customers to combine multiple accounts and Services into a single billing structure. Business Customers can choose whether to have all Services invoiced together, invoiced separately, or in any combination thereof. In addition, the Business Customer may specify where the invoices are to be sent and who is to receive them.

Business Hours - The phrase "business hours" means the time after 5:00 A.M. PST and before 6:00 P.M. PST, Monday through Friday excluding holidays.

Business Office - The phrase "business office" means the primary location where the business operations of AccessLine are performed and where a copy of AccessLine's tariff is made available for public inspection. The address of the business office is 3310 146th Place SE, Bellevue, WA 98007.

Commission - Used throughout this tariff to mean the Kentucky Public Service Commission.

Competitive Local Exchange Carrier ("CLEC") or Alternative Local Exchange Carrier ("ALEC") - means any entity or person providing local exchange services in competition with an ILEC or LEC.

Customer - The person, firm, corporation or other legal entity which orders the services of the Company or purchases a Company Prepaid Calling Card and/or originates prepaid calls

ISSUE DATE:	December 15, 2014	EFFECTIVE DATE:	December 17, 2014

using such cards, and is responsible for the payment of charges and for compliance with the Company's tariff regulations.

Company or AccessLine - Used throughout this tariff to mean AccessLine Communications Corporation d/b/a Voice Telco Services, a Delaware Corporation.

Day - The term "day" means 6:00 A.M. to, but not including, 5:00 P.M. local time at the originating city, Monday through Friday, excluding Company specific holidays.

Dedicated Access - The Customer gains entry to the Company's services by a direct path from the Customer's location to the Company's point of presence.

Delinquent or Delinquency - An account for which payment has not been made in full on or before the last day for timely payment.

Digital Transmission - Information transmitted in the form of digitally encoded signals.

Facility (or Facilities) - Any item or items of communications plant or equipment used to provide or connect to AccessLine Services.

Holiday - The term "holiday" means 6:00 A.M. to, but not including, 11:00 P.M. local time at the originating city on all Company-specific holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Incomplete Call - Any call where voice transmission between the calling party and the called station is not established (*i.e.*, busy, no answer, etc.).

Interexchange Carrier (IXC) - A common carrier that provides long distance domestic and international communication services to the public.

Location - A physical premise to or from which AccessLine provides Service.

Non-Business Hours - The phrase "non-business hours" means the time period after 6:00 P.M. and before 5:15 A.M., Monday through Friday, all day Saturday, Sunday, and on holidays.

NPA - An area code, otherwise called numbering plan area.

NXX - The designation for the first three digits of a local telephone number where N represents 2-9 and X represents 0-9.

Regular Billing - A standard bill sent in the normal monthly AccessLine billing cycle. This billing consists of one Bill for each account assigned to the Customer with explanatory detail showing the derivation of the charges.

Services - AccessLine's regulated common carrier communications services provided under this Tariff.

Resp. Org - Responsible Organization or entity identified by a Toll-Free service Customer that manages and administers records in the toll free number database and management system.

Switch - The term "switch" denotes an electronic device that is used to provide circuit sharing, routing, and control.

Switched Access - The Customer gains entry to the Company's services by a transmission line that is switched through the local exchange carrier to reach the Company's point of presence.

Telecom Unit - A measurement of telecommunications service equivalent to one minute of usage between any two points within the Commonwealth of Kentucky.

Telecommunications - The transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.

Underlying Carrier - The telecommunications carrier whose network facilities provide the technical capability and capacity necessary for the transmission and reception of Customer telecommunications traffic.

SECTION 2- RULES AND REGULATIONS

2.1. Undertaking of the Company

This tariff contains the regulations and rates applicable to intrastate interexchange telecommunications services provided by the Company for telecommunications between points within the Commonwealth of Kentucky. Services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff in compliance with limitations set forth in the Commission's rules. The Company's services are provided on a statewide basis and are not intended to be limited geographically. The Company offers service to all those who desire to purchase service from the Company consistent with all of the provisions of this tariff. Customers interested in the Company's services shall file a service application with the Company which fully identifies the Customer, the services requested and other information requested by the Company. The Company reserves the right to examine the credit record and check the references of all applicants and Customers. The Company may examine the credit profile/record of any applicant prior to accepting the service order. The service application shall not obligate the Company to provide services or to continue to provide service if a later check of applicant's credit record is, in the opinion of the Company, contrary to the best interest of the Company. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities when authorized by the Customer, to allow connection of a Customer's location to a service provided by the Company. The Customer shall be responsible for all charges due for such service arrangement.

ISSUED BY:	Michael B. Fischer, Sr. Vice President, Voice Service Operations 3310 146 th Place SE Bellevue, Washington 98007		

- 2.3.6 The Company shall not be liable for any indirect, special, incidental, or consequential damages under this tariff including, but not limited to, loss of revenue or profits, for any reason whatsoever, including the breakdown of facilities associated with the service, or for any mistakes, omissions, delays, errors, or defects in transmission occurring during the course of furnishing service.
- 2.3.7 The remedies set forth herein are exclusive and in lieu of all other warranties and remedies, whether express, implied, or statutory, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

2.4. Responsibilities of the Customer

- 2.4.1 The Customer is responsible for placing any necessary orders and complying with tariff regulations. The Customer is also responsible for the payment of charges for services provided under this tariff.
- 2.4.2 The Customer is responsible for charges incurred for special construction and/or special facilities which the Customer requests and which are ordered by the Company on the Customer's behalf.
- 2.4.3 If required for the provision of the Company's services, the Customer must provide any equipment space, supporting structure, conduit and electrical power without charge to the Company.
- 2.4.4 The Customer is responsible for arranging access to its premises at times mutually agreeable to the Company and the Customer when required for Company personnel to install, repair, maintain, program, inspect or remove equipment associated with the provision of the Company's services.
- 2.4.5 The Customer shall cause the temperature and relative humidity in the equipment space provided by Customer for the installation of the Company's equipment to be maintained within the range normally provided for the operation of microcomputers.

ISSUE DATE:	December 15, 2014	EFFECTIVE DATE:	December 17, 2014
ISSUED BY:	Michael B. Fischer, Sr. Vice President, Voice Service Operations 3310 146 th Place SE Bellevue, Washington 98007		

- 2.5.2 An Application for Service may be changed by Customer upon written notice to AccessLine, subject to acceptance and confirmation by AccessLine, provided that a charge shall apply to any change when the request is received by AccessLine after notification by AccessLine of the acceptance and confirmation. Such charge shall be the sum of the charges and costs for access facilities and other services and features and the lesser of (i) the monthly recurring rate for each service component that has been canceled as a result of the change times the appropriate minimum service period, plus the applicable installation or non-recurring charges, and (ii) the costs incurred by AccessLine in accommodating each change. The costs incurred by AccessLine will include the direct and indirect cost of facilities specifically provided or used, the costs of installation, supply expense, labor and supervision, general and administrative, and any other costs resulting from the preparation, installation and removal effort.
- 2.5.3 Where the Customer or applicant cancels an Application for Service prior to the start of installation of service, lease of network elements, or prior to the start of special construction, no charge applies. Where installation of service has been started prior to the cancellation, a cancellation charge equal to the costs incurred by AccessLine shall apply, but in no case shall such charge exceed the charge for the minimum period of the service ordered, including applicable installation charges, if any. The costs incurred by AccessLine will include the direct and indirect costs of facilities specifically leased, provided or used; the cost of installation, including design preparation, engineering, supply expense, labor and supervision, general and administrative, and any other costs resulting from the preparation, installation and removal effort.

2.6. Cancellation of Services

- 2.6.1 Without incurring liability, upon ten (10) working days' (defined as any day on which the company's business office is open and the U.S. Mail is delivered) written notice to the Customer, the Company may immediately discontinue services to a Customer or may withhold the provision of ordered or contracted services:
- 2.6.1.A For nonpayment of any sum due the Company for more than thirty (30) days after issuance of the bill for the amount due,

- 2.6.1.B For violation of any of the provisions of this tariff,
- 2.6.1.C For violation of any law, rule, regulation, policy of any governing authority having jurisdiction over the Company's services, or
- 2.6.1.D By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting the Company from furnishing its services.
- 2.6.2 Without incurring liability, upon ten (10) days' written notice, the Company may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of Customer and the Company's equipment and facilities and may continue such interruption until any items of noncompliance or improper equipment operation so identified are rectified.
- 2.6.3 Service may be discontinued by the Company without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using certain Customer authorization codes, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk, and will, upon request by the Customer affected, assign a new authorization code to replace the one that has been deactivated.
- 2.6.4 The Customer may terminate service upon three (3) days written or oral notice for the Company's standard month to month contract. Customer will be liable for all usage on any of the Company's service offerings until the Customer actually leaves the service. Customers will continue to have Company usage until the Customer notifies its local exchange carrier and changes its long distance carrier. Until the Customer so notifies its local exchange carrier, it shall continue to generate and be responsible for long distance usage.

2.7. Credit Allowance and Interruption of Service

- 2.7.1 Credit may be given for disputed calls, on a per call basis.
- 2.7.2 Credit shall not be issued for unavailability of long distance services.
- 2.7.3 Credit allowance for the interruption of service that is not due to AccessLine's testing or adjusting, negligence of the Customer or to the failure of channels or equipment provided by the Customer, are subject to the general liability provisions set forth herein. It shall be the obligation of the Customer to notify AccessLine immediately of any interruption in service for which a credit allowance is desired. Before giving such notice, the Customer or end-user shall ascertain that the trouble is not being caused by any action or omission by the Customer within his or her control, or is not in wiring or equipment, if any, furnished by the Customer and connected to AccessLine's facilities.

An adjustment or refund shall be made:

1. Automatically, if the service interruption lasts for more than forty-eight (48) hours after being reported to the company and the adjustment or refund exceeds \$1.00 in amount; and
 2. Upon subscriber oral or written request, if the service interruption lasts twenty-four (24) to forty-eight (48) hours after being reported to the company and the adjustment or refund exceeds \$1.00 in amount.
- 2.7.4 If such mistake, omission, interruption, delay, error, or defect in transmission, or failure or defect in facilities occurs and results in a customer remaining out of service for more than 24 hours, then one (1) of the following adjustments shall be made to the customer's bill in the next billing period in which it is practical to do so:
1. If the duration of the outage is less than five (5) days, the appropriate credit shall be the prorated amount of the customer's monthly service rate.
 2. If the duration of the outage is five (5) days or longer, the appropriate credit is the prorated amount of the customer's monthly service rate for the first four (4) days of the outage, plus an additional \$5.00 per day for the fifth day and each subsequent day of the outage, up to the amount of the customer's monthly service rate.

ISSUED BY:	Michael B. Fischer, Sr. Vice President, Voice Service Operations 3310 146 th Place SE Bellevue, Washington 98007		

2.7.5 If written notice of a dispute as to charges is not received by the Company within 180 days of the date a bill is issued, such charges shall be deemed to be correct and binding on the Customer.

2.8. Restoration of Service

The use and restoration of service shall be in accordance with the priority system specified in part 64, Subpart D of the Rules and Regulations of the Federal Communications Commission.

2.9. Deposit

The Company may require deposits in accordance with 807 KAR 5:006, Section 7(a).

2.10. Advance Payments

The Company reserves the right to collect an advance payment from Customers in an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges, and if necessary, a new advance payment will be collected for the next month.

SECTION 3- DESCRIPTION OF SERVICES

3.1 General

Services offerings that include unlimited Usage are limited to use for standard business voice applications. This includes service offerings providing for unlimited local Usage, unlimited intraLATA Usage and/or unlimited interLATA Usage. No non-standard business use of any form is permitted for such unlimited service offerings. Incidental calling for dial-up internet access, for data and fax type applications and for other similar restricted uses reflected in this tariff is permitted up to a maximum of 1200 minutes within any thirty-day period; any such Usage beyond this threshold shall be presumed to be non-standard business in nature. If, at any time, the Company determines that the Customer's Usage is non-standard business or is not consistent with use for business voice applications, the Company may immediately take actions to enforce adherence to this tariff and to the Company's Statement of Terms and Conditions of Service that are applicable to interLATA and international long distance. Such actions may include the transition to a higher tier within the customer's existing service plan.

The Company will notify the Customer in writing when the previous month's Usage exceeds that normally associated with standard business voice applications. Such written notice will inform the Customer that a higher tier rate will apply if, after two additional months, the Usage remains above Usage thresholds established in the existing service plan. Customers whose excessive Usage levels resulted in a higher rate will, upon request, qualify for the lower-tier rate(s) after three consecutive months of Usage below Usage thresholds established in the existing service plan.

3.2 Charges Based on Duration of Use

Where charges for a service are specified based on the duration of use, such as the duration of a telephone call, the following rules apply:

- 3.2.1 Calls are measured in duration increments identified for each service. All calls which are fractions of a measurement increment are rounded up to the next whole unit
- 3.2.2 Timing on completed calls begins when the call is answered by the called party. Answering is determined by hardware answer supervision in all cases where this signaling is provided by the terminating local carrier and any intermediate carrier(s).
- 3.2.3 Timing terminates on all calls when the calling party hangs up or the Company's network receives an on-hook signal from the terminating carrier.
- 3.2.4 Calls originating in one time period and terminating in another will be billed in proportion to the rates in effect during different segments of the call.
- 3.2.5 All times refer to local times.
- 3.2.6 Rates are not distance sensitive. As such, unless otherwise indicated, mileage bands are not applicable to the services offered.
- 3.2.7 Unless otherwise indicated, rates do not vary depending upon day or the time of day (Day, Evening, and Night/Weekend).
- 3.2.8 Each call is rated and billed in whole cents. Any rated call with a fraction of a will be rounded up to the nearest whole cent.

SECTION 5 - PROMOTIONS AND DISCOUNTS

5.1. General

The Company, from time to time, may make promotional offerings of its services, which may include waiving or reducing the applicable charges for the promoted service. Promotions will be filed as separate tariff sheets under this Section 5.

All promotions will be limited in duration, and will identify a definite, reasonable time period during which the promotion will be in effect. A promotion may also be limited as to the locations where the offerings are made. A promotion may also, if so designated, provide for its conclusion upon the occurrence of a promotion-related event that is reasonable certain to occur, although the timing may not be certain.

Promotions will be implemented with at least one day's notice prior to the effective date of each promotion.
